~~SECRET~~~~CONFIDENTIAL~~Re: SOL ADLER

The following investigation was conducted by Special Agents Thomas J. Brownfield and H. Courtenay Clinch.

At approximately 10:30 P. M. on July 23, 1946, Special Agent F. V. McGivern of the Washington Field Office telephonically advised Special Agent J. Gordon Shanklin of this office that SOL ADLER would leave Washington, D. C. at 6:25 Eastern Standard Time by Eastern Airlines plane and would arrive at LaGuardia Airport, New York at 8:05 Eastern Standard Time on July 24, 1946.

At 9:12 A. M. on July 24, 1946, the writer and Special Agent Thomas J. Brownfield observed SOL ADLER arrive aboard Eastern Airlines plane at Gate #12, LaGuardia Airport, New York.

It was observed that ADLER attempted to make several telephone calls at toll booths but appeared unsuccessful. He then boarded an airline bus and proceeded to the Airlines Terminal Building, 42nd Street and Park Avenue, New York City. It was observed also that ADLER used the telephone toll booths several times at the Terminal Building, but it was impossible to secure the results of same. ADLER then proceeded to Thompson's Restaurant located in the Grand Central Station, 42nd Street, New York City directly opposite the Airlines Terminal Building. After remaining in the restaurant for a short period, ADLER was observed to stop at the Information Booth at the above station and immediately thereafter to make a very hurried exit on to 42nd Street where he secured a taxi cab, which agents were unable to pursue due to prevailing traffic conditions. This occurred at approximately 11:50 A. M.

At 1:10 P. M. on July 24, 1946, SOL ADLER was observed entering the lobby of the Pennsylvania Hotel, 33rd Street and Seventh Avenue, New York City. The agents further observed that ADLER walked up and down the lobby of the hotel for a long period of time, apparently looking for someone. At 1:45 P. M., ADLER received a page over the Public Address System to answer an incoming telephone call at the Telephone Desk in the lobby. He was observed to talk on the telephone to someone, and although the results of the conversation could not be ascertained, ADLER appeared to be relieved. After concluding the telephone conversation he did not endeavor to check the lobby of the hotel as he previously had done.

SOL ADLER then proceeded to the Train Reservation Desk in the hotel lobby where he attempted to secure sleeper accommodations for the same

evening to Washington on the Pennsylvania Railroad, but his request was refused on the basis that he was not a guest of the Pennsylvania Hotel. He then requested at the same desk a time table for Albany trains. At 2:05 P. M., SOL ADLER made a very hurried exit on to Seventh Avenue where he entered a taxi cab bearing New York license plates Number 021-469. The surveilling agents followed in another taxi cab, but at 38th Street and Seventh Avenue, New York City, due to traffic conditions, the surveillance was discontinued. During the remainder of the day, checks were made at various places where it was thought ADLER could be located, but same were made with negative results.

On July 25, 1946, the Washington Field Office advised that SOL ADLER was observed at Washington, D. C. at 9 A. M. on July 25, 1946.

The following investigation concerning the activities of ABRAHAM BROTHMAN, JULES KORCHIEN and URSULA WASSERMAN is reported by Special Agent FRANCIS D. O'BRIEN and covers the period from July 11 to August 10, 1946.

ABRAHAM BROTHMAN

According to Confidential Informant NYT-343, who is in a position to know the activities of ABRAHAM BROTHMAN at his place of business, 114 East 32nd Street, BROTHMAN has been actively engaged with several projects of a very highly technical nature. The same informant advised that on July 9, 1946 JULES KORCHIEN was in contact with a Mr. NEEDLEMAN (phonetic) of AMORG. At that time KORCHIEN told NEEDLEMAN that he would like to have him meet ABRAHAM BROTHMAN inasmuch as he was involved in some work and that he wanted NEEDLEMAN to discuss this work with him. On July 10, 1946 the informant advised that BROTHMAN attempted to locate a Mr. E. N. GOSSELIN in Chicago, Illinois. GOSSELIN's telephone number is listed as Saginaw 7050. GOSSELIN's business phone was given as Wabash 8893. BROTHMAN did not indicate whether he would attempt to locate GOSSELIN. On the same date the informant advised that BROTHMAN contacted a Mr. SPRINGER and told him that he, BROTHMAN, had a contract with the U.S.S.R. which he believed that GOSSELIN, mentioned previously, would be interested. BROTHMAN requested SPRINGER to get in touch with GOSSELIN and have him call ABE. Informant stated that on July 10, 1946 BROTHMAN attempted to locate a Mr. LECATUR, who was mentioned in previous reports as a business contact of BROTHMAN's. In the absence of LECATUR, BROTHMAN talked with a Mr. FLAGG and told him that he was going to send material to FOWELL (phonetic), 405 Park Square Building, Boston, Massachusetts. It is to be noted that BROTHMAN has previously gone to Boston, Massachusetts to confer with a man named FOWELL who was believed to be an engineer. According to the aforementioned informant, an unknown individual held a conference with BROTHMAN on July 23, 1946 and requested figures from BROTHMAN regarding the planned production of plastics. This unknown man said that he had some "turks" whom he wanted ABE to meet and who are interested in plastics. The same individual asked BROTHMAN if he had submitted his report on plastics to the Russians and BROTHMAN replied in the affirmative.

On July 26, 1946 the informant advised that BROTHMAN continued to work on the projects for the Chinese and that on July 30, 1946 an individual

believed to be Dr. EDGAR SCHWARZ, a Frenchman, was interested in obtaining information regarding engineering problems from BROTHMAN. This same informant advised on August 7, 1946 that BROTHMAN was in contact with one of his employees at his Laboratory and the employee advised him that he had received a letter addressed to BROTHMAN from the Government Purchasing Commission of the Soviet Union under date of August 1. According to this employee, the letter stated that BROTHMAN's proposals concerning the vitamin plant had been sent to their clients abroad and that when they had heard from the clients they would advise BROTHMAN. The letter also sought information concerning BROTHMAN's connection with the International Industrial Corporation.

On July 28, 1946, a highly confidential source known to Special Agents DONALD E. SHANNON, LAWRENCE W. SPILLANE, GEORGE J. SULLIVAN, THOMAS G. SPENCER and FRANCIS D. O'BRIEN, furnished information concerning the present projects that BROTHMAN is working on in his offices at 114 East 32nd Street, New York City. A photograph of the plans that BROTHMAN is working upon were furnished, copies of which were sent to the Bureau for evaluation by the Technical Laboratory. Among the material furnished was a handwritten copy of material entitled "Progress report on the Palestine job". This report consists of approximately 20 pages and in the first paragraph of page one the following statement is set forth:

"In December, 1945 this organization undertook to design a plant for the manufacture of T.N.T. for the client. Sometime after the preliminary work had been done, the extent of the project was increasing greatly and the Engineering Corporation was asked to design plants for the production of 'PETN'."

On page three of the same report the following statement may be found. It is believed that BROTHMAN is referring to the plants which he had mentioned in the beginning.

"Other plants were required to be operated jointly with the above mentioned ones to act as plausible shields for the original plants. It was also decided to add a D.D.T. plan and an Alkyd Resin plan to the program".

The last of the report is concerned primarily with the technical details, formulas and equations which will be used in the operation of the plant as well as making whatever products might be referred therein.

Another report furnished, which was typewritten, bears the following title: "Proposal for Chloral and D.D.T. plants for Ste. d' Electro Chimie et d' Electro Metallurgie et des Acieries Electriques d'Ugine." It is possible that this proposal is being submitted at the direction of Dr. EDGAR SCHWARZ, Ste. d' Electro Chimie, 10 Rue du General-Fay, Paris, France, inasmuch as a letter addressed to Dr. SCHWARZ was furnished with the above given address and it is therein that the preliminary proposal concerning Chloral and D.D.T. plants was being submitted to SCHWARZ. A set of plans which was written on the stationery of ABRAHAM BROTHMAN and Assistants, was furnished, but this project bears no title and contains for the most part formulas and mathematical equations which are apparently to be used in the developing of some chemicals.

Also among the material furnished was a letter directed to the Government Purchasing Commission of the Soviet Union in the U.S.A., 210 Madison Avenue, New York, Attention of Mr. V. TVERIANOVICH regarding guarantee of plant performance. The letter is unsigned and the following statements are contained therein:

"In line with the guarantee cited on page eight of our preliminary proposal of July 2, 1946 and an application thereof, we offer the following: The final payment to us of \$65,000 represents roughly 10% of our total engineering services fee. It is made conditional, upon each of the plants completing 30 days successful plant operations, during which the end products produced shall fully meet the potency standards set forth on the proposals submitted". It is to be noted that the figure of \$65,000 representing 10% of the engineering services fee, would indicate that the total engineering services fee to be paid to BROTHMAN would be approximately \$650,000.

The indices of the New York Field Division were checked against the name of V. TVERIANOVICH, to whom the above mentioned letter was addressed, and it was ascertained that TVERIANOVICH is an engineer of the Fishing Industry Group of the Soviet Purchasing Commission, Washington, D.C. It is also to be noted that it was mentioned before that BROTHMAN was reported to be working on a vitamin plant for the Russians and it is possible that this letter refers to the vitamin plant inasmuch as the potency standards are mentioned.

Reference is made to the report of Special Agent JOHN T. HILSBOS dated July 17, 1946 entitled "GREGORY-ESPIONAGE-R" wherein certain information

~~SECRET~~~~CONFIDENTIAL~~

NY 65-14603

~~CONFIDENTIAL~~

is set forth concerning a telephone conversation that BROTHMAN had with 3 of his employees regarding plans for the building of plants and the manufacture of ENT and EDT. It is believed that the plans, as cited above in this report, pertain to that conversation mentioned in referenced report.

In December, 1945 BROTHMAN met an individual in New York City. At that time BROTHMAN was under surveillance and the individual whom he met was surveilled to 510 West 112th Street, New York City. Subsequent to this time, a mail cover placed on BROTHMAN's mail indicated that he had received correspondence from a HARRY SLAVIN, 510 West 112th Street and it was believed that this individual was identical with the individual surveilled to 510 West 112th Street, New York. Confidential Informant NYT-343 has previously reported that on several occasions BROTHMAN was in contact with one HARRY SLAVIN and it was thought that SLAVIN was working for AMTORG or conducting negotiations for BROTHMAN with AMTORG. A photograph of a letter dated July 19, 1946 was furnished which was addressed to Mr. HARRY SLAVIN, Apartment 8A, 510 West 112th Street, New York City. This letter is unsigned and advised that there was a bill from SYNTON requesting \$18.60 and SLAVIN is kindly asked to forward his check so that payment could be made of it. It is possible that BROTHMAN sent this letter to SLAVIN inasmuch as it was furnished by a confidential source having access to BROTHMAN's office.

Inquiry was made at 510 West 112th Street, New York by the reporting agent and it was ascertained that the name of SLAVIN now appears on the apartment 8A at that address whereas previously there was no indication that SLAVIN resided there or was he known to the Superintendent at the time. Inquiry, under suitable pretext, was made of the Superintendent of the premises and it was found that apartment 8A receives mail from an organization, the name of which is inserted in the inside of the mail box which the letter carrier opens at the time he delivers the mail. However, the Superintendent did not know the name of this organization. Inquiry was made of the letter carrier who delivered mail to that address and it was found the organization to which the mail is addressed is known as the HISTRADUTH PALESTINE CAMPAIGN. The indices of the New York Field Division reflected information concerning the HISTRADUTH PALESTINE CAMPAIGN which indicated that it is a fund raising campaign for the Jewish people in Palestine. No additional information concerning the organization was noted.

On August 9, 1946 efforts were made to locate SLAVIN telephonically, under a suitable pretext, and it is found that he was not presently in the city. However, information was received that SLAVIN came to the United States

about one year ago from Palestine. The records of the Immigration and Naturalization Service, New York City are to be checked. The information contained therein will be reported in the near future.

A mail cover placed against the name of ABRAHAM BROTHMAN indicated that he received mail from the National Council of Soviet-American Friendship and Russian War Relief Society.

Photographs of the material mentioned previously as furnished by Confidential sources, are being retained in the files of the New York Field Division.

JULES KORCHIEN

Information concerning JULES KORCHIEN has previously been reported in this case inasmuch as KORCHIEN is an assistant of ABRAHAM BROTHMAN and is a very close friend of URSULA WASSERMAN, concerning whom considerable information has previously been reported in this case. KORCHIEN is at the present time the subject of an active investigation in New York City in a case with the character of Internal Security - C. In the future, information concerning KORCHIEN's activities will be reported in the INTERNAL SECURITY case and only information pertinent to this case will be reported here after. During the current investigation no pertinent information concerning KORCHIEN has been reported.

RE: MRS. RAY ELSON  
161 West 16th Street  
New York City

The following investigation, extending from July 17, 1946 to the present, on RAY ELSON, is reported by Special Agent James R. Shinnars:

Current investigation of the activities of RAY ELSON reflect that she is maintaining her employment with the CARACUL FUR COMPANY, 227 West 29th Street, New York City and is spending her weekends at her summer home at Far Rockaway, Long Island, New York. The surveillance which had been maintained on ELSON's activities since the inception of this investigation was terminated two weeks ago and spot checks are being maintained with the assistance of [REDACTED] *du*

[REDACTED] advised that ELSON is maintaining her usual contacts of individuals previously reported in instant investigation. *du* b2 b7D

A spot check surveillance was instituted August 5, 1946 on the activities of JACK GOLDMAN to further identify his activities and relationship to ELSON. It will be recalled that on May 24, 1946, following a luncheon engagement with Confidential Informant GREGORY, ELSON met GOLDMAN at the MANUFACTURERS TRUST COMPANY BANK at 14th Street and 2nd Avenue, New York, where she was loaned \$50.00 by GOLDMAN.

GOLDMAN also spent July 24th with the ELSONS at their Far Rockaway residence, leaving New York with the subject and her husband at 2:15 P.M.

[REDACTED] GOLDMAN told ELSON that he spent the weekend of July 4th at Kinderland, New York. In this conversation, GOLDMAN related that he had visited with the Polish delegation but this particular phase of the conversation was not expounded. *du* b1 b2 b7D

[REDACTED] During the conversation, according to [REDACTED] GOLDMAN told ELSON that he "received her greetings" and in response to this, ELSON retorted, "Oh, you mean from VAGEL, (ph.)". *du* b2 b7D

~~SECRET~~ CONFIDENTIAL

Following this, GOLDMAN said that he brought greetings to ELSON from FANNY. This statement, according to the informant, surprised ELSON and GOLDMAN explained that she was staying at a "nearby" resort named GROSSMANS and that he happened to see her. The FANNY referred to in this conversation undoubtedly is FANNY DAVIS, 35 Hancock Place, a report of whom is included later in this report.

The purpose of the above-mentioned conversation, however, was a request from ELSON to GOLDMAN asking him if he would sign an affidavit for the ELSONS verifying that their names were ELSON and ISRAELSON. ELSON told GOLDMAN that this was to conform with a request from the Veterans Administration to verify that the ELSONS were married. GOLDMAN agreed to this, stating joshingly that he was an American citizen now and it was within his power to make such affidavits.

Confidential Informant GREGORY on August 1, 1946, advised that on July 31, 1946 there was a luncheon date with ELSON at the OLD GARDEN, 35 West 29th Street, New York City. The invitation, according to [REDACTED] was at ELSON's request. During the luncheon conversation, ELSON told GREGORY that she was still working at the CARACUL FUR COMPANY and that she intends to remain there until JOE finished art school. The conversation that took place, according to Confidential Informant GREGORY, was general in nature and GREGORY made the observation that ELSON has not been in contact with any of her former Russian associates.

MIKE ZOTTI  
3 Cherry Street  
West Orange, New Jersey

A highly confidential informant having access to the premises of RAY ELSON reflected the name of MIKE ZOTTI to be in the address book of the ELSONS.

[REDACTED] per Selection Service b6

The employment file of the PUBLIC SERVICE CORPORATION, Newark, New Jersey, reflected that ZOTTI is married and has a son, DONALD, three years old but he did not furnish the name of his wife in making his application for employment other than to state that they were separated.

At the time of his application, December 10, 1945, the employment records showed that ZOTTI served in the United States Army from September, 1940 to October, 1941 and again from February, 1942 until September, 1945. He exhibited to the company an honorable discharge and, according to the company records, his discharge number was 20220602.

Concerning his previous employment, it was stated that from October, 1941 to January, 1942, he worked as a laborer with the COULENSEN FENCE COMPANY, West Orange, New Jersey and from September, 1945 to November, 1945, he worked as a laborer with the F. A. CUTTER COMPANY, Conover Terrace, Orange, New Jersey. At the present time, ZOTTI is employed as a bus driver with the PUBLIC SERVICE CORPORATION.

The Newark Field Division indices reflected that one NICOLA ZOTTI, also known as NICOLAS ZOTTI, is registered as an enemy alien. He was born on March 13, 1885 at Teresina, Beneventa, Italy. He came to the United States on May 23, 1944, entering at New York City aboard the SS PALATIA from Naples, Italy. This person resided at 30 Wilfred Street, Montclair, New Jersey and was employed by the F. A. CUTTER COMPANY at 486 Conover Terrace, Orange, New Jersey as a tree expert. In his application he gave MICHAEL ZOTTI, son, at Fort Dix, New Jersey.

JOHN A. OSUCH  
17 B, South Hamilton Street  
Poughkeepsie, New York

A highly confidential informant having access to the premises of the ELSONS' apartment reflected that the above name was found in the address book of the ELSONS.

Inquiry in Poughkeepsie, New York by Special Agent Joseph E. Condon reflected that at the present time OSUCH is employed as an automobile mechanic by BONNER MOTORS, INC., at 183 Church Street, Poughkeepsie, New York. He receives a salary of \$20.00 a week. He was previously employed as a stock clerk and carpenter - laborer from 1923 to 1932 in the city of Poughkeepsie. OSUCH's father is ANDREW OSUCH and he has been employed for the past thirty years at the FAIRVIEW FOUNDRY in Poughkeepsie.

A review of the Selective Service file at Local Board 319, New Market Street, Poughkeepsie, indicates that at the time of his questionnaire, December 2, 1940, he was residing at 90 Union Street, Poughkeepsie and had order number 277.

This firm manufactures plastic materials and covering used as insulation for aircraft, tanks and armored vehicles. The salary of OSUCH at this time was \$45.00 a week.

*Myrtle Osuch*

OSUCH, since his discharge, has returned to work for his old employer, BONNER MOTORS, INC., at 183 Church Street, Poughkeepsie.

It is possible that the above two names, MIKE A. ZOTTI, and JOHN A. OSUCH, may be Army acquaintances of JOE ELSON, husband of the subject.

The following investigation relative to FANNIE GARELICH was conducted by Special Agent L. MORRIS BEST on August 2, 1946. This person, who resides at 120 West 105th Street, has been observed in the company of RAY and JOE ELSON.

JOSEPH MAYER, superintendent, 120 West 105th Street, advised that FANNIE GARELICH and another woman by the name of LIFSHITZ, allegedly sisters, moved into the building in October, 1942. Observation of the mail box in this building indicates that the name of KATZ appears on this box along with that of GARELICH and LIFSHITZ. MAYER stated that KATZ is allegedly the maiden name of LIFSHITZ. The apartment number that they occupy is 5-8 and rents for the summer at \$50. per month. He said that at the present time a third party, a man by the name of JEROME REICH, resides in the apartment. He has resided at this apartment since last summer and is allegedly the husband of FANNIE GARELICH. He supposedly moved into the apartment after release from the United States Service. He allegedly was discharged with the rank of Sgt. and saw service in the European Theater of Operations. MAYER said that all parties in the apartment go to business or are away from the apartment considerably.

MAYER advised that he believes the former employment of GARELICH and LIFSHITZ can be ascertained from the T & J MANAGEMENT CORPORATION, 4396 Broadway, as they had to give background information on themselves at the time they moved into the apartment.

Mr. EDWIN WHITELOW or his secretary, Miss MAY, of 4396 Broadway, furnished the following information concerning the tenants. Mr. WHITELOW classified the tenants as being undesirable as complaints had come in from other tenants. He noted them as being "cheap" as they had remembered him at only one time when they gave him the sum of \$10. He was unable to furnish any other information concerning FANNIE GARELICH, stating that he knows nothing of her philosophy of life. He did state that GARELICH was formerly with Miss BITTER and a Miss PANITSKY, alias Miss SPANIS in Apartment 2-C and with a Mrs. WOLKOFF in Apartment 1-G, who is or was in the cloak business.

Observation of the mail box concerning Apartment 1-G indicated that in addition to the name of WOLKOFF the following names were listed: GILMORE, ROSENBAUM and Dr. S. A. GLADSTONE.

Credit and criminal records on FANNIE GARELICH and JEROME REICH have been requested.

RE: JULIUS JOSEPH JOSEPH

Reference is made to the teletype of July 3, 1946 from the Washington Field office advising that the above subject was in New York City and that he may be able to be located through the UNRRA office in New York City and also that a surveillance should be placed upon it. Efforts to locate the subject at this time were negative and on July 12, 1946 the Washington Field office advised that they had received information that the subject was staying at 19 Commerce Street which is the residence of his sister. They also advised of a telephone number Watkins 9-6976 as being the telephone number of his sister at that address. Investigation at this address failed to determine the whereabouts of the subject, and it was determined that the above telephone number was listed to R. POPPER, 257 West 14th Street, New York City, which is a concern manufacturing flags and medals. By use of a pretext, an attempt was made to determine whether the subject's sister might be employed at this address, however, this was met with negative results.

Reference is made to the telephone call from the Washington Field Division on July 22, 1946 advising that the subject was on his way to New York City via the Pennsylvania Railroad in Seat No. 3, Car 700, which was to arrive in New York City at 6:50 P.M., Daylight Saving Time. The subject was being surveilled at that time by Special Agent Robert Mc Kaslin of the Washington Field Division. Upon the arrival of the above mentioned train, this surveillance was taken over by Special Agents F. D. O'Brien and F. J. Gallant who surveilled the subject from the Pennsylvania Station to 19 Commerce Street, where no further activity was noted throughout the remainder of the evening.

On July 23, 1946 a physical surveillance was instituted on the subject commencing at 19 Commerce Street, which is believed to be the residence of the subject's sister. At this address it was noted that this is an apartment having an entrance off the street and has the names of JOSEPH and one FIENGOLD appearing on the door of this address. On this date, the subject was surveilled from the above address to the Stanley Theater, 7th Avenue and 41 Street which is a Russian theater showing exclusively Russian films. The subject remained at this theater during the remainder of the day and in the evening he went to 42 East 80th Street and came out of that address in the company of a young lady. He and the young lady were surveilled to GALLAGHER'S STEAK HOUSE where they had dinner and thereafter to the VILLAGE VANGUARD for an evenings entertainment. RE: CHARLES KRAMER

The following investigation was conducted by Special Agent Robert E. Furcolow on June 21st and August 9th, 1946, and is predicated upon a letter from the Washington Field Division dated May 3rd, 1946, which requested this office to establish the identity of HENRIETTA L. WEIBEL who apparently lives on 10th Street, and who was a contact of CHARLES KRAMER.

On June 21st, 1946, investigation was made at the Retailers Commercial Agency, 200 West 42nd Street, and at the Credit Bureau of Greater New York, Pennsylvania Hotel, with negative results.

The report of Special Agent Floyd L. Jones dated March 1st, 1946 at Washington, D. C. in the instant case advised that [REDACTED] b1

The report of Special Agent Lambert G. Zander, dated May 2nd, 1946, at Washington, D. C. in instant case advised that [REDACTED] b1

The letter from the Washington Field Division in the above-entitled case dated June 12th, 1946, advised that HENRIETTA L. WEIBEL was possibly identical with H. WEIGEL, 235 West 13th Street, New York City.

The New York telephone book listed HENRIETTA WEIGEL, 235 West 13th Street, New York City, telephone number WATKINS 9-6419.

The report of Special Agent J. R. Vicars entitled "American Council on Soviet Relations; Internal Security - R", dated February 10th, 1942, at Los Angeles, California, advised that the following notation was found in the personal address book of CORLISS LAMONT:

"HENRIETTA and JOHN WEIGEL

On August 9th, 1946, Special Employee Investigator Wade Fuller obtained the following information from the records of the Credit Bureau of Greater New York:

HENRIETTA WEIGEL (husband, JOHN E.) resides at 8 Bank Street, New York City (1941), and formerly lived at 380 Bleecker Street, New York City; 29 Bank Street, New York City, and 42 Bank Street, New York City, all of which are in the vicinity of 10th Street, New York City. Her business address was listed as GEORGE ARENTS, 511 Fifth Avenue, New York City. HENRIETTA WEIGEL was listed as being 35 - 40 years of age in 1941, and residing with her husband at 8 Bank Street for the past two years where they are renting a two and one half room apartment on the top floor at a rental of \$55 per month. She has been in the employ of Mr. ARENTS since January, 1941, and has a position of editorial worker, editing the trade book on the tobacco industry on a salary basis. Her income from this source was not disclosed, but was believed to be in fair proportions. Mr. ARENTS is President of the Intermetal Company, Inc., and the International Cigar Machinery Company, both of which have their offices at this address in Room 804. She is employed privately by Mr. ARENTS who is interested in the publication of this book.

Her husband was known to be in the employ of Donohue and Company and is a commercial artist by profession.

The Manufacturers Trust Company, 43rd Street, reports a special checking account for this party.

In view of the above information, it would appear that HENRIETTA L. WEIBEL is identical with HENRIETTA (Mrs. JOHN) WEIGEL, 235 West 13th Street, New York City, and is apparently the person who is a contact of the KRAMERS.

Reference is made to the letter from the Washington Field Division to the New York Field Division dated April 22, 1946 in which the New York Field Division was requested to ascertain the identity of and furnish available background information on LESTER O. NAYLOR, Spook Rock Road, Suffern, New York and similar information on Mrs. RICHARD HEFFNER, who was telephonically contacted by the subject DUNCAN C. LEE on October 6, 1945 at Suffern, New York, telephone number SEN 938-M.

The following investigation was conducted by Special Agent Gerald J. Flynn on July 16, 17, 18, 23, 1946:

Assistant Postmaster BELMONT BYARD of the Suffern, New York Post Office advised that very little information is available on either LESTER O. NAYLOR or Mrs. RICHARD HEFFNER. Mr. BYARD advised that the above individuals lived on Spook Rock Road, Suffern, New York and that they came to Suffern approximately five years ago. They were formerly accompanied by a man whose last name was DENNY, but who is no longer with the above two individuals. Mr. BYARD advised that it was his understanding that the correct spelling of Mrs. RICHARD HEFFNER's name should be *Richard me* HEFFNER.

The following individuals were contacted regarding the above background information on LESTER O. NAYLOR and Mrs. RICHARD HEFFNER with negative results:

Chief of Police JOSEPH VILORD, Suffern, New York Police Department  
Mrs. M. TRAINER, Postmaster, Monsey, New York  
W. CONKLIN, Postmaster, Tallman, New York  
Under-Sheriff GEORGE FRISCO of the Rockland County Sheriff's Office

No additional information could be obtained from the neighborhood investigation, inasmuch as the geographical lay-out of the section in which the above two individuals reside does not lend itself to such an investigation.

The New York Field Division indices were checked with negative results.

Information was developed that the above telephone listing is that of the Pan American Grace Airways, 135 East 42nd Street. *X u*

Under suitable pretext, it was determined that QUENTIN ROOSEVELT was employed by the Pan American Grace Airways, however, what his position was was unable to be determined.

A check of the Social Register for 1945 of New York City reflected that QUENTIN ROOSEVELT was a Major in the United States Army, and listed his wife as FRANCES B. WEBB, and that he was a graduate of Harvard University, Class of 1941. It listed his address as 5431 Wyangotte Street, Kansas City, Mo. It also reflected that his parents were former Brigadier General and Mrs. THEODORE ROOSEVELT, his mother being the former ELEANOR B. ALEXANDER.

A check of the above in WHO'S WHO reflects that Brigadier General THEODORE ROOSEVELT was the son of the former president of the United States. It also listed QUENTIN ROOSEVELT as his son and also one, Lieutenant CORNELIUS ROOSEVELT of 2500 Q Street, Washington, D. C. as another son.

In the 1946 Social Register for New York, QUENTIN ROOSEVELT's name appears and lists his residence as Oyster Bay, Long Island, New York, which is believed to be the home of his parents. The indices of the New York Field Division failed to reflect any information pertaining to QUENTIN ROOSEVELT.

RE: ROBERT T. MILLER, III

The following investigation was conducted by Special Agent Robert E. Furcolow on June 21st and August 9th, 1946, and is predicated upon a letter from the Washington Field Division dated April 29th, 1946, which requested the background of HARRIS LEVI, 2137 Wallace Avenue, Bronx, New York, and who was believed to have telephone number UNDERWOOD 3-3088. [HARRIS LEVI was contacted at this number by ROBERT T. MILLER, III, on November 9th, 1944.] *TLW*

On June 21st, 1946, Special Employee Investigator Wade Fuller obtained the following information from the files of the Credit Bureau of Greater New York:

*Harry Levy*  
HARRIS LEVI and his wife, ANNA *Levy* resided at 2137 Wallace Avenue, Bronx, and he is an insurance broker at 225 Broadway, New York City. He is described as being about 50 years of age in 1944, and married, and has a small family. They reside in apartment 422 and have been living there since 1941. Prior to this, and since about July, 1937, they resided at 2136 Wallace Avenue, Bronx, which is under the same management as the present building. Before that, they lived for eight years at their present address, 2137 Wallace Avenue. HARRIS LEVI is an insurance broker and office manager at the business address of A. M. FISCH, 225 Broadway, New York City, a law office in Room 2815. LEVI has been office manager at this law firm for the past 30 years, and his income from this source could not be learned.

On June 21st, 1946, the Retailers Commercial Agency, 200 West 42nd Street, advised that they had no record of subject.

On August 9th, 1946, the records of Local Board 104, Public School 96, Waring and Olinville Avenues, Bronx, reflected that subject registered April 26th, 1942, born September 15th, 1890 at Boettetouse (?), Russia, height 5' 5½", weight 156 pounds, blue eyes, gray hair, light complexion, phone number UN 3-3088, wife ANNA, employed A. M. FISCH, 225 Broadway.

The report of Special Agent Floyd L. Jones in the instant case dated January 28th, 1946, at Washington, D. C. advises that subject is a brother of JENNY LEVI MILLER, also known as Mrs. ROBERT TALBOT MILLER, Washington, D. C., and a brother of FLO LEVI. Also, that he stayed a few days at the MILLER household around Christmas, 1945, and was referred to as Uncle HARRY. He called one ANNIE at UNDERWOOD 3-3088, New York City, on December 28th, 1945, and stated that he would be home that evening.

Inasmuch as HARRIS LEVI appears to be related to the MILLERS, no further investigation is being conducted at this time.

Re: ROBERT TALBOTT MILLER III

Reference is made to a letter from the Washington Field Division, dated April 29, 1945, requesting background information on Mrs. CHASILEAR COBB, 320 East 72nd Street, New York City, telephone Rhinelander 4-6353 and an individual named HARRIET CRANE. Referenced letter indicated that MILLER telephonically contacted HARRIET CRANE on January 12 and 13, 1945 at the number Rhinelander 4-6353. (X) u

The following investigation was conducted by Special Agent THOMAS J. BROWNFIELD on July 22, 25 and 26, 1946.

Mr. H. E. WINSTON of the A. B. Ashforth Real Estate Company, 12 East 44th Street, New York City, advised that Mrs. CHASILEAR COBB, also known as ANN MCGIBBON COBB executed a lease for Apartment 5A, 320 East 72nd Street, New York City, on August 9, 1939. Mrs. COBB alleged to be the widow of CHASILEAR COBB and furnished a previous address of 1045 Park Avenue, New York City. Mrs. COBB listed no business affiliations and is described as being 42 years of age, blond and approximately 5'8" in height. She gave as a reference HENRY GUTHRIE, a lawyer at 55 Wall Street, New York City. A credit check by the A. B. Ashforth Real Estate Company determined that Mrs. COBB's net worth is approximately \$100,000 and she has a \$10,000 a year income from investments made by her late husband.

Mr. C. C. BRIANT, Superintendent at 320 East 72nd Street, New York City and an officer in G-2 during World War I, advised that Mrs. COBB is believed to be a native of Westport, Connecticut. Allegedly her late husband CHASILEAR COBB owned considerable property in and around Westport and at the time of his death left investments which guaranteed Mrs. COBB a somewhat over \$10,000 a year income for life. Mr. BRIANT stated that insofar as he knows, Mrs. COBB has no business connections in New York City but he recalled that during the winter of 1941 and 1942 Mrs. COBB, with another person whose identity he did not know, opened a gown shop in Houston, Texas. Apparently this business venture was not successful because after 1942 Mrs. COBB made no further reference to her business.

Mr. BRIANT further advised that Mrs. COBB has a 17 year old daughter PATRICIA who spends most of her time at a girls school somewhere in Virginia. Mrs. COBB has a reputation of drinking rather heavily and holding numerous drinking parties in Apartment 5A.

Residing with Mrs. COBB in Apartment 5A is a man named BITTNER, who is now connected with North Eastern Airlines in New York City. Mr. BRIANT stated that BITTNER alleges to be a relative of Mrs. COBB but he thinks that this allegation is not true. BITTNER's first name is unknown to Mr. BRIANT but in 1942 he became a member of the Air Transport Command and as such was assigned to duty in Newfoundland. He returned to New York City in 1945 at which time he became affiliated with North Eastern Airlines and again assumed residence with Mrs. COBB.

Mr. BRIANT stated that Mrs. COBB has sub-leased her apartment one time, that being during the fall and winter of 1944 and the early part of 1945. Allegedly Mrs. COBB was residing alone in Apartment 5A, an 8 room apartment, and she decided to take up residence at 38 East 78th Street in a smaller apartment. Accordingly, through a broker in the A. B. Ashforth Real Estate Company, the apartment was sub-leased to a Mr. EDWARD M. CRANE of Redbank, New Jersey. Mr. BRIANT could furnish no description of Mr. or Mrs. CRANE except to state that they were middle aged couple and very good tenants.

Mrs. COBB had at one time furnished a forwarding address of 2036 West Gray Street, Houston, Texas and also c/o WILIE, Purdy Lane, Darien, Connecticut to Mr. BRIANT.

Through the records of the Credit Bureau of Great New York Special Employee WADE FULLER determined that EDWARD M. and MARGARET CRANE of Riverside Drive, Redbank, New Jersey, formerly resided at 354 Ridge Street and 388 Clifton Avenue, Newark, New Jersey. Mr. CRANE is described as being a man of approximately 58 years of age, married and with two grown children. Mr. CRANE is President of the D. Van Nostrand Company, Inc., 250 Fourth Avenue, New York City. He has resided at the Riverside Drive, Redbank, New Jersey address for the past 8 years and is the reputed owner of that property which is valued at approximately \$15,000. The D. Van Nostrand Company, Inc. is a publishing firm which occupies the entire 11th floor at 250 Fourth Avenue, New York City. Mr. CRANE has been affiliated with this company for a number of years and it is believed that he has a personal account with the Fidelity Union Trust Company, Newark, New Jersey.

It is being pointed out that at the time MILLER made telephone calls to HARRIET CRANE at Rhineland 4-6353 the apartment having this telephone had been sub-leased by Mrs. CHASILEAR COBB to EDWARD M. and MARGARET CRANE and it is likely that HARRIET CRANE is a member of this family.

The following investigation was conducted by Special Agent WILLIAM G. O'DONNELL on June 26, 27, and July 12, 1946.

The Washington Field Division by letter dated June 1, 1946, advised that JAMES R. NEWMAN on November 21, 1945, sent a telegram to DR. LEO SZILARD, King's Crown Hotel, West 116th Street, between Amsterdam Avenue and Morningside Drive, New York City, the text of this telegram reading:

"CONDON AND I DEFINITELY EXPECT YOU WASHINGTON FRIDAY MORNING."

JAMES NEWMAN

MR. BOND, Manager, King's Crown Hotel, 420 West 116th Street, New York City, advised that DR. SZILARD had lived at this hotel, except for several trips to Chicago, for the past few years. He stated that DR. SZILARD is a noted scientist and was a close friend of Professor EINSTEIN. He further stated that Agents of Military Intelligence had contacted him repeatedly concerning DR. SZILARD, and had made an extensive investigation of him.

The indices of the New York Field Division revealed that DR. LEO SZILARD is mentioned in the "Cinrad" case. The following information was obtained from this file:

On October 21, 1944, the following information was obtained from [REDACTED] b2 b7D

DR. LEO SZILARD, with alias, LEO SPITZ, who is a D.S.M. metallurgist, having contractual relations with the Metallurgical Laboratory in Chicago, is presently residing at the King's Crown Hotel, 420 West 116th Street, New York City. This individual is the man who first formulated the idea and theory that is responsible for the entire D.S.M. experiments. He was born in Budapest, Hungary, but claimed German citizenship. He came to the United States in approximately 1940, when he conceived the idea upon which the D.S.M. projects are based. He contacted Professor ALBERT EINSTEIN, who was also impressed with the possibilities of his theories, and accompanied him to Washington, D. C., where he conferred with the President. This conference resulted in the beginnings of experimentation now known as the D.S.M. SZILARD is believed to be acquainted with BORIS PREGEL, who is the Subject of active investigation by the Military Intelligence Office. It was believed that SZILARD knew PREGEL in Europe but no evidence of his contact with PREGEL in the United States had been obtained.

It was also ascertained from the "Cinrad" file that in February of 1946, DR. SZILARD was residing at 1155 East 57th Street, Chicago, Illinois. At that time he was one of the key persons of the Chicago atomic bomb project. He was investigated in connection with the security of the atomic bomb project for the reason that he had alleged that security precautions at the project slowed up the atomic bomb production. In 1942 he wrote to BORIS PREGEL, giving a history of his part in the atomic bomb project and referring to the part played by FERMI, and he also referred to some processes. He is reported to have come from Germany to the United States via England.

The following investigation was conducted by Special Agent George J. Sullivan on July 9, 22, 23; August 1, and 6, 1946.

Reference is made to Washington Field Office letter dated April 19, 1946 requesting the New York Office to identify ALEXANDER KLEIN of 510 West 110 Street, New York City, in view of the fact that he was a contact of HELEN SCOTT and JOAN REDMONT in this case.

It was ascertained that the apartment house at KLEIN's address is managed by BING AND BING, 119 West 44 Street, New York City. The records of BING AND BING reflected KLEIN rented an apartment at 510 West 110 Street on October 1, 1943 at a monthly rental of seventy dollars. KLEIN's employer was shown as CARAVEL FILMS, INC., 730 Fifth Avenue, and his duties were given as writer and director. He listed references as National City Bank; EARL H. BRYAN ASSOCIATES; and CHARLES WEIDER, 294 Riverside Drive, New York City.

The records of the West 111 Street Branch of National City Bank reflected that KLEIN opened a special checking account in June, 1942, and transferred to a regular savings account in September, 1943. The records further reflected that KLEIN joined the staff of CARAVEL FILMS, INC., in June, 1942, and formerly resided at 200 West 108 Street, New York City. He listed DR. MELVIN BRODSHAUGH, care of KPSI FILM CORPORATION, 1841 Broadway, as a reference.

The records of Local Board 35, 250 West 90 Street, reflected that ALEXANDER KLEIN bears Serial No. 1604 and Order No. 2664. He was born in Hungary, November 12, 1918 and claims he is a citizen of the United States. KLEIN attended City College of New York for five years, obtaining a B.S.S. degree and at one time was employed by the W.P.A. - New Reading Materials, 500 Park Avenue. KLEIN's father, ANTON, resides at 1070 Ocean View Avenue, Brooklyn. *Klein*

KLEIN has been a free lance writer, writing children's fiction and, until recently, was employed by CARAVEL FILMS, 730 Fifth Avenue, New York City, where he was classed as a writer and director, doing research and writing scripts for, as well as, directing combat training pictures for the United States Navy and the United States Army Air Corps. He received one hundred thirty-five dollars a week at CARAVEL FILMS.

It was ascertained that KLEIN is presently unemployed but still resides at 501 West 110 Street. The Local Board records reflected that KLEIN has resided at the following addresses:-

200 West 108 Street  
380 Riverside Drive  
601 West 112 Street

The Selective Service files contain a letter, dated February 9, 1944, addressed to the Local Board from ROBERT C. McKEAN, president of CARAVEL FILMS, 730 Fifth Avenue, explaining KLEIN's duties and evaluating the material on which KLEIN was working at the time. In substance, the letter stated that training films deal with very specific, important duties of officers and men in the Armed Forces. According to McKEAN, the films were used in training because the Army and Navy had discovered that the use of such films speed up training anywhere from twenty to sixty-five per cent. It was stated that the Navy films on which KLEIN was working were combat training films of a confidential nature which were requested by the Navy. According to the letter the subject matter of these combat films is a military secret because just knowing that films are being made on various military subjects might in itself be of use to the enemies of the United States. The letter went on to state that the films are not only used to train new men and new personnel but also to train experienced personnel in new methods, in the use of new tactics, or strategy, which is constantly developed.

Mr. GEORGE CHAMBERS, superintendent of the building at 510 West 110 Street, advised that KLEIN spends most of his time typewriting in his apartment and, according to CHAMBERS, he is known throughout the apartment building as a free lance writer.

The indices of the New York Field Division and the records of the Credit Bureau of Greater New York, Inc. were negative in the name of ALEXANDER KLEIN.

Re: ALLAN ROSENBERG

The following investigation was conducted by Special Agent FRANK J. NOLAN:

With regard to the two individuals who contacted ALLAN ROSENBERG at the Wardman Park Hotel on May 17, 1946 the following information concerning their identity is herewith set forth:

The Credit Bureau of Greater New York furnished the following information on Dr. LEO MAYER of 1155 Park Avenue, New York City. His wife's name is EDITH and he formerly resided at 300 Central Park West, 147 West 79th Street and 150 West 79th Street. He maintains a bank account with the National City Bank branch at 96th Street and Park Avenue, where a satisfactory relationship exists and the account is non-borrowing. Dr. MAYER is described as age 64, and has resided at 1155 Park Avenue since October, 1937 in a 12 room apartment.

This residency was checked with the real estate agent operating the apartment, who advised that Dr. MAYER is a personal friend of the owner of the building and pays a rent in the neighborhood of \$4,000 to \$5,000 a year. He bears a good reputation, and in view of the relationship with the owners of the building, only a cursory investigation was made at this source, in view of the nature of the case.

The Credit Bureau of Greater New York further advised that prior to his present residence the subject resided for six and one-half years at 300 Central Park West, where he paid over \$6,000 a year rent. He has been a physician for over 25 years and is considered one of the best bone specialists in this country. He maintains an office at 1150 Fifth Avenue, and has done so since 1938, which office rents for \$3,000 a year. He is a graduate of Physicians and Surgical College in New York as of 1909, a member of the County and State Medical Societies, a Fellow of the American Medical Academy, a member of the Academy of Medicine, and is on the staff of New York Hospital for Joint Diseases and Post Graduate Hospital.

Investigation at his office at 1150 Fifth Avenue revealed that three additional names are listed on his office, namely H. SEIDENSTEIN, GODFRED GERMANSKY and B. KLEIGER. It was determined that the last two mentioned individuals have just recently returned from the Army and are associated with him in orthoped surgery. No information was available on H. SEIDENSTEIN, except that he was formerly associated with Dr. MAYER.

Reference is made to a letter from the Washington Field office dated July 18, 1946 requesting the identity and background on one ~~MISS~~ BERL, 120 Waverly Place, New York City, [REDACTED] (S) b1

At 120 Waverly Place, it was determined that a Miss BERL lived at that address with her mother who was employed as a sales lady in a hosiery shop on Sixth Avenue. It was also developed that Miss BERL was believed to be an instructor in music. At the Manufacturers Trust Company, 376 Sixth Avenue, Mr. PARTWELL advised that he had two records of special checking accounts in 1943 for an ELSIE D. BERL and VIOLET S. BERL of 120 Waverly Place. These records reflected that VIOLET S. BERL was a sales lady at the Sculpta Hosiery Shop at Sixth Avenue and Waverly Place. They also reflected that ELSIE BERL was a librarian at the New York University.

At the New York University, the records of the Registrars Office reflected that ELSIE DORIS BERL had been a student there majoring in music from 1934 until 1938 at which time she received a BS degree in the School of Education. This record also reflected that she had majored in music and took a graduate course in 1939 and 1941. It was also reflected that she was born on April 4, 1917 in New York City and had attended the High School of Commerce. It gave as her residence at that time, 116-07 Beach Channel Drive, Rockaway Park, New York.

The records of the Placement Bureau of NYU were also checked and reflected that Miss BERL was employed by the U. S. Employees Compensation Commission, 285 Madison Avenue, during the latter part of 1942, that she had been employed at Broadcast Music, Incorporated, 580 Fifth Avenue from November, 1940 to September, 1941 and was also employed by the Home Owners Loan Corporation, 2 Park Avenue from September, 1941 to April, 1942, at which time she was supposed to have been employed by the U. S. Employees Compensation Commission. Miss BERL's present employment was not obtainable at this time.

Reference is made to the letter from the Washington Field Division dated March 12, 1946 which requested that the identity of one M. A. O'CONNOR, 193 East 76th Street, New York City, be determined.

The records of Consolidated Edison Company were checked and reflected that MAE A. O'CONNOR, 193 East 76th Street, was employed in August of 1940 as Secretary to DR. ERDWIN, 140 East 54th Street. This was all of the information available at this source.

The records of the Credit Bureau of Greater New York were also checked with negative results.

Mr. THOMAS FITZGERALD, owner of the building at 193 East 76th Street was interviewed and advised that MAE O'CONNOR had been a tenant at this address for some time and it was his understanding that she was employed by a Dr. LEMPert somewhere on 74th Street. He was unable to give any information as to background of MAE O'CONNOR other than that she lived in Apartment No. 7 and was an elderly lady who went to business every day.

Through a check of the New York telephone directory, it was determined that DR. JULIUS LEMPert was located at 119 East 74th Street which was also the address of the LEMPert INSTITUTE OF ATOLOGY. Through pretext, it was determined that MAE O'CONNOR was employed at this institute and had been employed there for the past year and a half.

A review of the files of the institute reflected no information pertaining to MAE O'CONNOR, however, it was determined that in the instant case the name of DR. FRANK ERDWURN had been mentioned in connection with HELEN TENNEY. A check at the address of DR. ERDWURN, 156 East 52nd Street, was made under a suitable pretext and it was determined that DR. ERDWURN had died about two months previous from a heart attack. Information was also developed that the doctor's sister lived at 154 East 52nd Street in Apartment 7B. A check at this address reflected that Mrs. TENNEY (who is possibly identical with the mother of HELEN TENNEY) resided at this address in Apartment 7B.

It was also determined that Lieutenant Colonel ERDWURN who was the son of DR. ERDWURN was also staying temporarily at this address with ERDWURN's sister, Mrs. TENNEY.

Reference is made to Washington Field Office letter dated July 22, 1945, wherein the New York Office was requested to ascertain the listing for telephone number RHineland 4-3848, and obtain background information on the person to whom the number is listed.

[REDACTED]

Inquiry at Culver Hollyday and Company, 745 Fifth Avenue, New York City, agents for the building at 988 Fifth Avenue, reflected that AARON W. DAVIS originally executed a lease for an apartment on the seventh floor of the building at 988 Fifth Avenue, on June 20, 1944. DAVIS' business address was given as 40 Worth Street, New York City, and his banks were furnished as the Central Hanover and Chemical Bank and Trust Company. It was ascertained that DAVIS owns a home at 371 Beechmont Drive, New Rochelle, New York, where his family spends a good part of their time.

It should be noted that on May 14, 1946 an unknown individual according to [REDACTED] contacted the office of Dr. WEINSTEIN. Dr. WEINSTEIN was not present at the office at that time and this unknown man stated that he wanted to know about picking up parcels containing some material to be sent to Yugoslavia. RE: DONALD N. WHEELER

~~CONFIDENTIAL~~

The following investigation was conducted by Special Agent ELDON W. STUTZMAN on May 22, 1946:

Reference is made to Washington Field Office letter dated April 12, 1946, stating that DONALD WHEELER, a Subject in this case, made phone calls to University 4-9419 on September 28, 1945 and October 10, 1945, speaking to Mrs. DANIELS, Mrs. HASTAY and Mrs. BAILESON. The phone is listed to the apartment house at 501 West 121st Street, New York City. The New York Field Division was requested to ascertain the identities of these persons. 8 U

It was ascertained that the apartment house at 501 West 121st Street, New York City, is known as the Kings College Club and is owned by the trustees of Columbia University and managed by HORACE S. ELY, 76 William Street, New York City. Mr. and Mrs. MILLARD WALTER HASTAY occupy apartment 21 at 501 West 121st Street. The management, however, had no record of Mrs. DANIELS or a Mrs. BAILESON.

The following investigation was conducted by Special Agent GEORGE J. SULLIVAN on July 3, 9, 10, and 22, 1946:

Through Mr. JOSEPH CAMPBELL, who is employed by the trustees of Columbia University, 12th floor, 76 William Street, New York City, it was ascertained that the HASTAYS have occupied apartment 21 at 501 West 121st Street since August 1, 1945. According to information available to Mr. CAMPBELL, HASTAY was employed on May 17, 1944 by Columbia University to work under a contract for the Office of Scientific Research and Development. He was classed as "a mathematical statistician performing analyses of combat and equipment problems. He was also engaged in designing proper and statistical mathematical procedures for the collection and interpretation of data. He also supervised and assisted with analyses". Mr. CAMPBELL pointed out that the branch of the Office of Scientific Research and Development at Columbia University on behalf of the applied mathematics panel, National Defense Research Committee of the Office of Scientific Research and Development, carry out for the Army and Navy certain urgent and important research directly connected with combat tactics and equipment classified as secret under the Espionage Act.

The records further reflected that HASTAY terminated his employment on December 21, 1945 but was carried on the payroll as a consultant until June 1, 1946 when he ceased duty entirely.

*Walter Harris* HASTAY was born on September 8, 1916 at Enid, Montana, received a B.A. Degree at Reed College, Portland, Oregon, and did graduate work in economics and statistics at Stamford University from September, 1941 to September, 1944. He was employed while at Stamford by the Office of Scientific Research and Development where he was acting instructor in economics from May, 1943 to April, 1944. Prior to that time HASTAY was employed by the Oregon State Highway Department from September, 1937 to September, 1939. From June, 1940 to September, 1940 he assisted in statistical and financial studies sponsored by the United States Bureau of Public Roads in Oregon.

HASTAY is a registrant of Local Board No. 3, Portland, Oregon, where he is classified 2-B-F, bearing Order No. 1163.

At the present time HASTAY is employed by the Lincoln School, an elementary school attached to Columbia University.

During the period that HASTAY was employed on the aforementioned project, his wife, HELEN, also worked as a clerk for Columbia University on the same project.

The personnel security questionnaire of HELEN WHEELER HASTAY reflected the following information:

Prior to coming to New York her address was 558 Forest Avenue, Palo Alto, California. She was born at Tacoma, Washington, October 14, 1917, the daughter of FRANCIS MARION WHEELER, 1740 Wisconsin Avenue, NW, Washington, D.C., and JEANIE SHAW WHEELER of the same address. Her parents-in-law, Mr. and Mrs. WALTER HARRIS HASTAY, reside at 6836 NE Rodney Avenue, Portland, Oregon.

The personnel record reflected the following brothers and sisters:

MARGARET WHEELER DANIELSON, 1220 East 97th Street, Seattle, Washington.

ROSE WHEELER MORTON, 1220 East 97th Street, Seattle, Washington.

GEORGE SHAW WHEELER, Vienna, Virginia.

MARIAN WHEELER COLEMAN, 1740 Wisconsin Avenue, NW, Washington, D.C.

DONALD NIVEN WHEELER, Columbia Drive and MacArthur Boulevard, Brookmont, Maryland.

It will be noted that MARGARET WHEELER DANIELSON is the sister of HELEN WHEELER HASTAY, and in this regard attention is called to the lead previously mentioned for the New York Field Office wherein it was stated that DONALD WHEELER spoke with a Mrs. DANIELS. It would seem plausible that Mrs. DANIELS is probably Mrs. DANIELSON.

The superintendent of the premises at 501 West 121st Street, New York City, advised that Mrs. HASTAY's sister is presently residing with her. He was unable to furnish her name, but stated that at the present time she is away on vacation but he believes she is employed somewhere in New York City. The superintendent of the building did not know a Mrs. BAILESON and stated that only one woman is residing with the HASTAYS. When Mrs. DANIELSON's name was mentioned to him he stated that he believed that that was the name of the woman residing with the HASTAYS.

The personnel records further reflected that Mrs. HASTAY attended Reed College, Portland, Oregon, and after graduating was employed by her father, Mr. F. M. WHEELER, at White Bluffs, Washington, from September, 1934 to June, 1939. She was a member of the Halfway Union High School Board, Halfway, Oregon, from September, 1939 to May, 1940, and was employed by MANUEL PIERS of Palo Alto, California, from September, 1941 to November 15, 1941, and by the Pacific Telephone and Telegraph Company, Palo Alto, California, from November 4, 1943 to March, 1944. She furnished the following names as references:

Mr. V. L. O. CHITTICK, Reed College, Portland, Oregon - Professor.

Mr. LLOYD REYNOLDS, Reed College, Portland, Oregon - Professor.

Mr. R. F. ARRAYN, Reed College, Portland, Oregon - Professor.

The indices of the New York Field Division were checked against the names of HELEN and WILLARD HASTAY with negative results.

The records of the Credit Bureau of Greater New York failed to reflect any information concerning the HASTAYS.

It will be noted from the foregoing information that HELEN WHEELER HASTAY is undoubtedly the sister of Subject DONALD N. WHEELER.

The following investigation was conducted by Special Agent WILLIAM G. O'DONNELL on June 18, 21, 26, 29, and July 15, 1946. The Washington Field Division by letter dated June 7, 1946, advised that HARRY DEXTER WHITE had received a communication postmarked New York City, May 1, 1946, bearing a return address of Post Office Box 177, Station "D", 93 - 4th Avenue, New York City. (X) u

The Superintendent of Station "D", New York City Post Office, advised that Post Office Box 177 was in the name of WILLIAM E. BULLOCK, 65 University Place, New York City. It was ascertained that 65 University Place, New York City, is the address of the Hotel Albert.

MISS E. N. BAWN, auditor, Hotel Albert, furnished the following information:

WILLIAM E. BULLOCK has lived in this hotel for the past fifteen years. As far as she knew, he had no regular occupation although she has seen him frequently use a typewriter which he has in his room, and for this reason she thought he might be a writer. He maintains a bank account at the Chase National Bank, Branch 9. She stated that Agents from Military Intelligence had also inquired about MR. BULLOCK and that they could probably furnish more information concerning him. She also advised that he receives quite a few letters from England. She described him as being in his late fifties, of slender build, with dark hair streaked with gray. b2 b7D

The records of [REDACTED] revealed the following information concerning WILLIAM E. BULLOCK:

In June of 1946 an investigation was made by this organization to ascertain the identity of the author of a pamphlet entitled, "Uranium and Gold". The name of the author of this pamphlet was given as ARTHUR S. JENNINGS, but it was ascertained that this was a pen name used by WILLIAM E. BULLOCK. MR. BULLOCK is registered for Selective Service at Local Board 17, and the records of that Board reveal that he was born on July 9, 1888 at Hingham, England. The person who would always know his address was given as ELSIE J. BULLOCK, 2422 North 13th Street, Philadelphia, Pennsylvania. He is employed by the Department of Sanitation, New York City, Design Unit, 30 Church

Street, New York, New York. He is described, according to the Selective Service record, as 5'7" in height, weight 136 pounds, having wide gray eyes, gray hair, and a ruddy complexion.

HELEN McCULLOUGH, room chambermaid on the 5th floor of the Hotel Albert, where MR. BULLOCK resides in Room 510, advised that MR. BULLOCK was very quiet, that he never has any visitors with the exception of a young girl, whom she thought was his niece. He is very regular in his habits, leaving early in the morning and returning around six at night. He has a large number of books in his room and he does a considerable amount of work on his typewriter. Further investigation by this Informant at the Hotel Albert revealed that BULLOCK seldom has ever used the telephone for outside calls, and he received very little mail. He maintains a checking account at the Chase National Bank, 40 West 34th Street, New York City.

This Informant contacted MR. MEERS, Chase National Bank, 40 West 34th Street, New York City, who gave the following information:

BULLOCK has been a depositor in this bank since 1919, maintaining a normal and satisfactory account, the average balance ranging between two and four thousand dollars. He is a mechanical engineer by profession. BULLOCK had frequently given MR. MEERS pamphlets on various proposals, theories, and commentaries, subscribed to and composed by him, the latest pamphlet being entitled "Uranium and Gold". Three other pamphlets written by MR. BULLOCK, furnished to MR. MEERS, were: "A Physical Science Issue—A National Science Foundation Set-up By Legislation is Ill-advised", "Relation of Gold Cartel to Free Enterprise", and "Engineers Advise Congress". MR. MEERS advised that political theories by MR. BULLOCK tended way to the left. MR. MEERS also stated that in a column by Pearson and Allen, "The Washington Merry-go-Round", which appeared in the Daily Mirror for December 10, 1938, it is stated that WILLIAM E. BULLOCK, former Assistant Secretary of the American Society of Mechanical Engineers, was the leading insurgent in a group of engineers who were objecting to the administration of the American Society of Mechanical Engineers by the then incumbents.

This Informant further advised that on October 1, 1945, BULLOCK was employed by the New York Ordnance Division of the War Assets Administration, Empire State Building, at a salary of \$4,500 per year. He is a naturalized United States citizen. MR. BULLOCK is also the writer of a book entitled "A Word of Warning to Professional Engineers", which was published in New York City in 1932.

The records of the Credit Bureau of Greater New York revealed the following information concerning DR. CHARLES R. REIN:

He resides at 25 Central Park West, and his wife's name is EDNA NORMA REIN. He is in his middle forties and has been residing at the above address for a number of years, paying a rental in excess of one hundred dollars per month. He formerly lived at 2480 - 18th Street, N.W., Washington, D. C., and prior to 1938 he resided at the Park Central Hotel, New York City, and before that at 3533 - 83rd Street, Jackson Heights, New York. DR. REIN is a dermatologist, and has maintained offices at 580 Fifth Avenue, New York City, since 1938. He was in the service of the United States Armed Forces during the war, and while in service he subletted his office. He maintains a bank account at the Chase National Bank. He has a good credit record and is considered to have a well-established practice.

The Washington Field Division by letter dated June 7, 1946, advised that ANNE WHITE, wife of HARRY DEXTER WHITE, received a communication postmarked Brooklyn, New York, on May 2, 1946, with return address of M. WEISMAN, 698 Green Avenue, Brooklyn 21, New York. They also advised that a communication was also received from one M. WERSMAN, 1230 Teller Avenue, Bronx, New York City, and stated that this party might be identical with M. WEISMAN. (S) u

J. COMISSO, building superintendent, 1230 Teller Avenue, Bronx, New York City, advised that no one named WEISMAN or WERSMAN had ever resided at this address as a tenant. He stated, however, that it was possible that one of the tenants in the building had a guest living in his or her apartment under either of these names.

The mail carrier covering the address at 698 Green Avenue, Brooklyn, New York, advised that the WEISMANS had resided at 698 Green Avenue, Brooklyn, New York, for only a few months. They formerly lived at 122 Van Buren Avenue, Brooklyn, New York.

MRS. LOTTIE GOLDSTEIN, 122 Van Buren Avenue, Brooklyn, was contacted under pretext and she furnished the following information:

DAVID WEISMAN and his wife, MARTHA WEISMAN, who is distantly related to her (MRS. GOLDSTEIN), lived with her during February and March, 1946. MARTHA WEISMAN is a niece of HARRY DEXTER WHITE. DAVID WEISMAN was one time in the Coast Guard, stationed in Boston, Massachusetts, and subsequent to his discharge from the Coast Guard he and his wife lived for a short time with relatives of his in the Bronx, New York City. She could not furnish the names of these relatives of his.

The records of the New York Field Division revealed the following information concerning MARTHA WEISMAN, nee MARTHA WHITE, also known as MRS. DAVID WEISMAN.

Information was first received concerning MARTHA WHITE by the Boston Field Division, which received a report that DAVID WEISMAN, Musician Second Class, United States Coast Guard, was believed to have Communist tendencies. His wife's name was given as MARTHA WEISMAN. DAVID WEISMAN was presently facing court martial by the United States Coast Guard for having a camera and film in his possession aboard ship, and also having a diary and sketch book.

This office was advised that MARTHA WHITE was in charge of entertainment at installation of officers, Communist Political Association, John Hancock Hall, at Boston, Massachusetts, on July 15, 1944. MARTHA WEISMAN was originally from Boston and she married DAVID WEISMAN in New York. DAVID WEISMAN was on the mailing list of the New York Conference for Inalienable Rights, where he was listed as Legislative Chairman of the United Sta. Office and Professional Workers of America, American Advertising Guild, Local 20, 31 East 27th Street, New York City. MARTHA WEISMAN was mentioned in the mailing list of the American Youth Congress, dated October 1941.

Investigation revealed that MARTHA and DAVID WEISMAN were married in New York City on March 2, 1944. MARTHA WEISMAN is a member of the Communist Party and was the Drama Director of the Office Workers Canteen at 177 Tremont Street, Boston, Massachusetts. In 1945 she was about 28 years of age and was Secretary to Local 26 of the Industrial Union of Marine and Sub-Building Workers of America, located in East Boston, Massachusetts. She

is a distributor for the "Sunday Worker", and also aided in plans relative to the visit of WILLIAM Z. FOSTER to Boston in 1944. She was a former roommate of FLORENCE HERZOG, a Communist Party member and organizer for the United Electrical, Radio, and Machine Workers of America, and was also a former roommate of MARCOV CLARK, a Communist Party organizer of the West End District of the Communist Political Association. She was born November 13, 1917, at Boston, Massachusetts.

The marriage records for Bronx County, City of New York, reveal that DAVID WEISMAN and MARTHA WHITE were married on March 2, 1944, by Rabbi JEROME ROSENBLUM, 975 Walton Avenue, Bronx, New York City. The license shows that MARTHA WHITE resided at 10 South Russell Street, Boston, Massachusetts, and her occupation was given as "office worker". Her parents were BENJAMIN WHITE and ANN LEVINE WHITE, both born in the United States. This record further showed that DAVID WEISMAN resided at 235 Mount Hope Place, Bronx, New York, and that he was born on May 17, 1907, at New York City. His parents were JOSEPH and BERTHA GREENBERG WEISMAN. WEISMAN'S father was born in Russia.
